OVERVIEW

BUMBLEBEE is the perfect fishing boat, weekend cruiser and day boat all in one. With usability and comfort at the forefront of the design the execution of the finished product is awe-inspiring. Built for the American market, a market that demands quality and excellence, Grady White has created a boat that meets the expectations of these incredibly high standards. BUMBLEBEE's high quality finish and attention to detail would normally be seen in the super yacht market but Grady White has ensured that the end user benefits from the most luxurious surroundings as well as its highly tuned functionality.

She was built and delivered in 2017 and has less than 100 hours on her Triple Yamaha 300hp engines. Every aspect of this boat is in mint and nearly new condition. The cushions look the same as when they left the factory, The interior has never been slept in and the accessories and systems are all working perfectly. The amount of specification added to the boat shows it is clear it was built for a very experienced and serious clientele. Extras including bow thruster, generator, upgraded sound systems, twin Garmin touch Nav screens, electric canopy, electric sun roof, electrically operated helm seat, air-conditioning throughout, additional fishing pole holders, fully equipped wet-bar, etc..., the list goes on.

Although BUMBLEBEE is a great all rounder she was primarily designed for the sports fishing market, of which this is evident throughout the boat. On both the port and starboard sides of the hull there are three rod holders with the addition of two extra holders on each side of the superstructure which allows for up to ten rods to be trawling at once. Inside the cockpit there is a fully equipped wet-bar consisting of a draw fridge, sink with a extendable tap for easy wash down of the surfaces, an electric grill to offer immediate cooking of fresh fish, and three large draws for storage. At the very aft of the boat there is a 197 litre fish/ice box storage separated into three different sections with closing hatch, and on the Port-side section there is an additional integrated cool box to allow for even more cold storage. The electric sun canopy can be deployed in a matter of seconds to shade the whole of the aft cockpit.

Forward there is a lovely rounded square seating cockpit with two adjustable tables that can lower to create a full sunpad section in the bow, this transforms it into the perfect area for relaxing and catching the rays on a hot sunny day.

Below deck there is a beautifully finished cabin that can host up to three guests comfortably whilst offering the option for a fourth guest to share the aft berth. Grady White have designed a brilliant system that at the push of a button retracts half the double forward berth and creates a spacious saloon. The balance between the soft furnishings, wall coverings and American Walnut creates a very light and open space with a really modern finish.

The pictures show this boat in a true light but viewings are highly encouraged. For any further information or to book a visit please do not hesitate to contact us.

SPECIFICATION

SAFETY

- 2 automatic bilge pumps (total 3000 GPH) (11,356 LPH)
- Basic flotation
- Bow grab rail - low profile 316 grade stainless steel
- Captain Grady® - digital boat systems and operations guide for iPad and iPhone Cockpit toe rails
- Composite stringer system & transom - water impervious
- Console grab rails
- Nonskid fiberglass liner
- Self-bailing cockpit w/cockpit drains (6) Stainless steel through-hull fittings

COCKPIT & DECK

- 100% hand laid SeaV2 hull & deck Accessory outlet - 12V (3)
- Accessory outlet - 5V duplex USB port
- Air conditioning - 16,000 BTU at helm
- Anchor windlass w/remote switches at helm & windlass Batteries (4)
- Battery charger system Battery select switch Bow thruster Cleats - flush mount (pull up) Cockpit bolsters
- Cockpit freshwater shower (recessed)
- Cockpit lights - LED lighting
- Cockpit side door - starboard w/boarding ladder
- Companion grab rail
- Compass
- Cutting board
- Deck hardware - 316 grade stainless steel through-bolted
- Dockside power w/galvanic isolator
- Drink holders (17)
- Engine flush system w/hose attachment aft (one per engine)
- Factory engine pre-rigging
- Fender cleats - Phender Pro™ quick-release

- Fish/ice box - 208-qt. (197 l) aft insulated box w/lights (2) & ob drain
- Flush mount electronics area
- Footrest - helm
- Forward bolsters
- Freezer - refrigerator/freezer aft fish box w/digitally controlled thermostat & ob drain
- Fuel capacity - 320-gallon (1211 l) tank
- Generator - 8 kW diesel, 20-gallon (76 l) fuel capacity
- Hardtop - AV2® hardtop enclosure w/aluminum
- SureShade® electrically retractable shade with
- Sunbrella® canvas (oyster)
- Helm Master® w/Set Point™ - Yamaha Helm
- Master® control system
- Hydraulic trim tabs w/indicator & retractor Integrated outboard mounting system w/swim platform & ladder
- International lighting
- Lighting - underwater blue LED (4)
- Livewell - 30-gallon (114 l) aft insulated raw water livewell w/light, full distribution inlet & ob drain (1100 GPH pump) (4164 LPH)
- Rod holders (6 gunwale)
- Rod storage racks - horizontal (6)
- Rubrail - high density PVC w/ stainless steel insert
- Seating - electromechanically adjustable helm bench seat with dual flip-up bolsters
- Seating - electromechanically extendable port lounge w/storage & pull-out
- Corian(R)- topped wood-grain countertops w/drawers
- Seating - foldaway aft bench seat w/cushion
- Seating - port & starboard bow deluxe cushioned surround seating
- Seating - wraparound companion bench seat
- Steering wheel - 316 grade stainless steel w/knob

SPECIFICATION
